**AMEND Senate Bill No. 2383**

**House Bill No. 2013\***

by deleting subdivision (i)(2)(A) and (B) of the amendatory language of Section 1 in its entirety and substituting in place thereof the following:

(A) At least sixty (60) hours of instruction, consisting of forty (40) classroom hours and twenty (20) clinical hours. The standard minimum curriculum shall be determined by the board of nursing and shall include appropriate instruction to enable communication, attention to safety, knowledge of medications, and other factors as determined necessary by the board; and

(B) A supervised clinical practice component that includes an approved medication aide training program sufficient to assure that students are prepared to administer medications as a medication aide in a safe and effective manner and that:

(i) Consists of twenty (20) hours, including experience in tasks related to the administration of medication, and that is conducted under the direction and supervision of a licensed nurse;

(ii) Requires any nursing home or assisted-care living facility participating in the training program to have a written agreement to provide licensed nurse supervision of the student; and

(iii) Requires supervision of a student engaged in medication administration by a licensed nurse.

**AND FURTHER AMEND** by deleting subdivision (k)(3)(A) in the amendatory language of Section 1 in its entirety and substituting instead the following:

(A) Administer medications when administration would require a dosage decision or calculation;
